**RACHEL AMATO PROMOTED TO FIRST VICE PRESIDENT
AND HEAD OF SEARCH FIRM'S BANK COMPLIANCE DIVISION**
Amato to Spearhead BankersforHire.com's Compliance Human Capital Initiatives

MIAMI, FL—BankersforHire.com, Inc. today announced the promotion of Rachel Amato to First Vice President and the creation of the firm's Bank Compliance Division. BankersforHire.com, Inc. is a leading provider of professional recruiting solutions for banks in Florida, Georgia, and the Carolinas. The company specializes in recruiting key permanent and critical contract positions. At the close of 2006, the company has experienced its fifth consecutive year of double-digit growth. One key area of growth has been in Compliance human capital.

Amato's career spans more than 10 years in the finance industry. She joined BankersforHire.com in 2005 as a Vice President. In that role, she successfully lead BankersforHire.com's Florida team in new client acquisition and retention.

BankersforHire.com, Inc.'s Managing Partner, Randall Clark, states, "As we continue to experience rapid growth as a result of delivering exceptional recruiting solutions for the banking industry, it's fantastic to have someone with Rachel's background in bank compliance issues on our team. Rachel brings to the position a strong track record, an extensive bank compliance network, and deep insight into the compliance issues that bank directors and other bank employees face today."

In her position, Amato will help key players in the banking industry navigate compliance human capital issues. Over the past two years, one of her primary responsibilities has been helping financial institutions in South Florida acquire compliance human capital. Given the growing requirements U.S. financial institutions face in complying with Bank Secrecy Act (BSA) and Anti Money Laundering (AML) regulations and a vast array of homeland security compliance issues, Amato will take the lead in building a practice group to serve financial institutions across the United States.

Clark adds, "Rachel will play a key role in developing our compliance division and responding to the diverse needs of existing and future clients."
